

Ziyky
Trading

COMPANY

PROFILE BROCHURE

We help individuals to become their best version.

Ziaky Trading brings a unique perspective to the world of trading. We assess a variety of different markets and trading instruments to create maximum profitability for our community.

We utilise unique intra-day and swing trading strategies to provide profitability for our community in the financial markets.

Our strategies seamlessly flow through the Forex and Cryptocurrency Markets.

Markets do not simply go up. We use this to our advantage.

Why Choose Us

REGISTERED COMPANY

We are a legal company registered in FRANCE providing our services to the members all around the world.

TRADING SUCCESS

Our community success speaks for itself. The markets have never been more exciting than they are now. Success can be found both ways and our trade ideas ride the wave up and take advantage of the downward moves.

RISK MANAGEMENT

The Company continually identifies, assesses, and monitors each type of risk associated with its operations. This means assessing on a continuous basis the effectiveness of the policies, arrangements, and procedures in place which allow the company to easily be able to cover its financial needs and capital requirement at any time.

AUDIT & ACCOUNTING

Client funds are received into bank accounts separate from those used by the company. These funds are off the balance sheet and cannot be used to pay back creditors in the unlikely event of the default of the Company.

CUSTOMER SUPPORT

Our support team is readily available to answer any of your questions and will help you in whichever way they can to resolve any issues you may be encountering.

QUICK AND EASY ACCOUNT REGISTRATION

No paperwork and office visits. Simply fill the registration form and click the register button. Your account can be blocked if we discover any foul play. This enables us have reputable users.

PROCESS

How It Works

STEP 01

REGISTER

Fill in your personal details in our registration form.

STEP 02

DEPOSIT & TRADING

Once your account is approved, you can choose a trading plan, fund your account and begin your trading cycle.

STEP 03

WITHDRAWAL

Once your trading cycle has been completed. You can then request for a withdrawal of your available funds.
